

SIMONS SEMESTER

Topological, smooth and holomorphic dynamics, ergodic theory, fractal

March – June 2023

MARCH

**Complex Dynamics and related fields
From introductory minicourses to advanced topics**

(Warsaw, 12-25 March)

Complex dynamics: connections to other fields

(Chęciny, 27-31 March)

APRIL

Smooth and Topological Dynamics (Warsaw, 10-22 April)

Beyond Uniform Hyperbolicity (Będlewo, 23 April-5 May)

MAY

Dynamics and Fractals (Warsaw, 7-13 May)

Thermodynamical formalism:

Non-additive Aspects and Related Topics (Będlewo, 14-19 May)

Ergodic theory and parabolic dynamics (Warsaw, 22 May-3 June)

JUNE

Nilpotent structures in topological dynamics, ergodic theory and combinatorics (Będlewo, 4-10 June 2023)
